

Memorandum for the Log

11 December 1951

Colonel C. Robert Bard of JAG, Department of the Army, called with respect to [redacted] He desired to know if this Agency had any objection to classifying a chronological summary of the case "Confidential." The summary refers to certain OSS documents and in addition refers to certain CIA documents. The summary is not an extract of those documents but merely refers to them. The summary will be forwarded, together with other material, by JAG to the House Armed Services Committee. The matter was checked with Mr. [redacted] Colonel Hanson. There appears to be no objection, and Colonel Bard was so informed.
